

# Company Plan Plus Level 1

## Your plan

Your Vhi Healthcare plan gives you access to cutting-edge medical treatments, health screenings and protection against the high medical costs of private care. To keep premiums down, you pay the first €75 towards most private hospital claims. To find out which hospitals and treatment centres are covered on your plan, please refer to the directories of approved facilities which are available at [Vhi.ie/downloads](http://Vhi.ie/downloads) or contact us.

<sup>4</sup>If attending a VSP network provider, payment is made directly to the provider and is not subject to the annual excess or the annual maximum

## Employee Assistance Programme (EAP)

With the EAP you can access confidential counselling and information services to assist in coping with personal, work, financial or legal issues.

## Vhi Second Opinion for Kids

The service offers children a medical second opinion from best in class paediatric specialists for any condition adversely affecting their quality of life. Should you wish to avail of this service or find out more details, please contact us on **1850 247 724**.

## NurseLine 24/7 – 1850 247 724

**NurseLine 24/7** is a 24 hours a day, 365 days a year, confidential telephone support service staffed by qualified nurses, who supply information on a wide range of medical conditions and queries.

**One to One Midwife** pregnancy support service is an exclusive service, which allows members the opportunity to register with a qualified midwife. A midwife will call throughout your pregnancy to see if you, or your partner, have any questions or concerns. The midwife stays in touch until after your baby is born.

For further information about this plan, please phone our corporate advice line at **056 777 5800**

**Please note:** if you amend your cover or take out a new policy, you can change your mind within 14 days of the effective date by contacting us. This document is for guidance only and should be read in conjunction with your Table of Benefits and Rules – Terms and Conditions.
